

CargoWise Announces Winner of NCBFAA CCS Program Highest Achievement Award

- Sponsored by CargoWise, Award Is Presented to CCS Student with Highest Academic Standing -

Chicago, IL, USA, April 26, 2010 — CargoWise®, a globally recognized technology supplier for logistics service providers, announced the recipient of the National Customs Brokers & Forwarders Association of America (NCBFAA)'s National Education Institute Certified Customs Specialists (CCS) Program Highest Achievement Award. The honor was presented to 2009 CCS graduate Sharon Kozek of FedEx Trade Networks Transport & Brokerage, Inc., at the recently concluded NCBFAA annual conference in San Antonio, Texas.

The annual award, sponsored by CargoWise, goes to the student who achieves the highest marks in the program aimed at earning a Certified Customs Specialist professional designation. In presenting the award, Lisa Tree, Marketing Manager for CargoWise said: "We are very pleased to sponsor this award as part of our ongoing global commitment to educational programs that develop expertise in the logistics and customs brokerage industry. We congratulate Ms. Kozek on her outstanding educational performance."

ABOUT THE CCS PROGRAM

NCBFAA's Certified Customs Specialist (CCS) Certification Program is designed to assist trade professionals involved in the import industry to become experts in the current import regulations. Whether students have a broker's license or just a year or two of related experience, this course provides a solid foundation to increase industry knowledge. The CCS course reviews fundamental points relevant to the importation process while delving into practical, relevant subject matter not generally tested on the formal Customs licensing exam. Each topic helps management professionals grow and develop within the changing import industry.

ABOUT CARGOWISE®

CargoWise is a globally renowned technology provider that delivers an innovative, single platform solution to improve customers' visibility, efficiency, quality of service and profitability. It provides dynamic and efficient solutions for logistics service providers focused on effortless supply chain execution capability in an integrated globally capable enterprise system.
