

## **CargoWise Supplies 21 of Top 25 Global Freight Forwarders**

**Sydney, Australia, March 23, 2011** — CargoWise®, a globally recognized technology supplier for logistics service providers, announced that according to recent statistics, 21 of the top 25 global freight forwarders use the ediEnterprise platform as their technology of choice.

CargoWise continues to enjoy solid success in the marketplace. Recent new customer wins across EMEA, U.S. and ASPAC continue to underscore CargoWise's market leading position. Customers such as Geodis, DSV, Yusen and Toll are among those who have unique challenges; yet all recognize the advantages of a single platform solution.

"We are very pleased with this news. Key wins in EMEA and North America have seen us exceed the target we set," said Todd De Rosa, General Manager Marketing for CargoWise. "We are even more delighted, as we see this as continued confirmation from our customers as to the strength of our technology and success of our implementation process. 2011 has started exceptionally well. Our customer base continues to expand and we are very well positioned for future growth."

### **ABOUT CARGOWISE®**

CargoWise is a globally renowned technology provider that delivers an innovative, single platform solution to improve customers' visibility, efficiency, quality of service and profitability. It provides dynamic and efficient solutions for logistics service providers focused on effortless supply chain execution capability in an integrated globally capable enterprise system.

Every day, 2,000 logistics service providers, consisting of 50,000 users in 50 countries, move goods through the global supply chain using CargoWise's ediEnterprise system, a powerful and feature rich software solution developed to meet the ever-changing needs of the logistics industry. CargoWise offers the only single platform supply chain logistics management system that provides integration across all departments and functionality for domestic, regional and global customers. Headquartered in the U.S., Australia and in the UK, the Company operates worldwide from offices across the U.S., Europe and Asia.
