

CargoWise Names Adam Kossak As Commercial Director

- New Position Created To Assist With Rising Commercial Opportunities for the Company -

Sydney, Australia, September 1, 2010 — CargoWise®, a globally recognized technology supplier for logistics service providers, has appointed Adam Kossak as Commercial Director. Based in Sydney, Australia, Adam's role includes legal and commercial management, company secretarial and board advisory, and providing general counsel to CargoWise.

Adam is an accomplished attorney with more than 15 years of commercial, operational and legal experience in the software industry. His experience encompasses an array of management positions in which he was responsible for commercial, legal, human resource, sales and product marketing responsibilities. Adam has held management positions with a number of international software companies including positions with TrakHealth and iSOFT.

"I am excited about the opportunity to join a high-calibre team such as CargoWise," said Mr. Kossak. "My aim is to utilize my commercial, legal and managerial skills together with my industry experience to ensure that the Company's legal and commercial risks are appropriately managed in line with its strategic and operational plans. I look forward to working with the team as we continue to grow and develop as an organization."

"Adam and I have known each other for some time in a professional capacity and he has been deeply involved in a number of important commercial matters since arriving, so I can speak to his expertise and commercial value," said Richard White, CEO of CargoWise. "He is already a valued member of the team, and brings a set of skills and experiences to the company that will add significantly to our management and business capability."
