512 (Sheffield) Ltd Selects CargoWise for Enterprise Software Solution

- ediEnterprise Solution Provides Greater Capability, Improved Business Model for Customers -

Milton Keynes, UK, October 4, 2010 — CargoWise®, a globally recognized technology supplier for logistics service providers, has been selected to implement its ediEnterprise solution for logistics service provider, 512 (Sheffield) Ltd. The company has implemented CargoWise's ediEnterprise solution to provide a fully integrated freight and logistics, warehousing and accounting system at its headquarters in Sheffield, UK, with additional locations to be added throughout 2011.

"We are pleased to welcome 512 (Sheffield) Ltd as a new client," said Andrea Robinson, Business Development Manager – UK for CargoWise. "The company was in need of a more capable operating system to handle its diverse business requirements and CargoWise's ediEnterprise system aligned well with its operating needs. The single platform that is now in place provides improved supply chain visibility for its customers, increased functional capability and the flexibility needed to help the company continue to grow well into the future."

"CargoWise's enterprise system is a good fit for our business model and will enable us to strategically partner with our customers and offer added value to our business solutions," said Beth Atkinson, Managing Director of 512 (Sheffield) Ltd. "The ediEnterprise system offers us an end-to-end solution for our customers that enables us to improve our processes and handle greater amounts of valuable data for our customers. We are now able to handle orders, inventory, shipments and supply chain information from a single portal with increased visibility and efficiency. We are very pleased with the results so far and we look forward to a successful partnership together as we continue to expand our customer base."
